Your Guide to Manual J

Saturday, February 18, 2012

Presented by: **Southwest Florida Air Conditioning Contractors Association**

NOTICE TO ALL CONTRACTORS:

BE PREPARED! Beginning March 15, with the implementation of the new code, a Manual J for ***all*** HVAC change-outs and new construction on ***both*** residential and commercial projects will be required.

- ✶ **Workshop 1: Introduction to Manual J, D, and S** 9:00 am - 12:00 pm ✶
- ✶ **Workshop 2: Manual J Basics** 1:00 pm - 5:00 pm ✶

Location: Conditioned Air Conference Room
3786 Mercantile Avenue, Naples, FL 34104

About the Workshops

- ✶ *Introduction to Manual J, D, and S* - Participants will gain an overview of the concepts behind the industry standard ACCA Manuals J, D and S used in the design, installation and duct fabrication for HVAC systems. *3 hours CEU - CILB provider #0003199 / Course # 0609022*
- ✶ *Manual J Basics* - This course will expose attendees to more in-depth usage and application of Manual J. This is a hands-on, interactive learning session and requires each attendee to bring his or her own laptop. *No CEU provided for this course.*

About the Instructor

Dennis Stroer of Calcs-Plus is a licensed Florida Class A HVAC Contractor with more than 30 years of experience in the HVAC industry. He has co-owned and operated Calcs-Plus, an HVAC system design, load and energy calculations company in Venice, Florida since 1991.
